

A. Read the paragraphs below:

以下の文章を読んでみましょう。

An immediate family includes parents, spouses, siblings, and children. Immediate family members are connected by birth, adoption, and marriage. Members of an immediate family are also called “close relatives”.

Extended family is also known as joint family. An extended family includes parents, children, grandparents, uncles, aunts, cousins, nieces and nephews living together.

Single-parent family is where there is one parent. A mother or a father with children living together is an example of a sing-parent family.

Nuclear family is also called elementary family. A nuclear family includes parents and their dependent children living together.

B. Words and Expressions (語彙と表現)
