### Part-time Jobs

These days, a lot of high school students get interested in taking part-time jobs. Having a part-time job has a lot of advantages. A student can, for instance, learn what it is like to manage his or her time and money, and handle a much bigger responsibility. While still young, a student can learn what it is like to interact with other people who are much older than he or she is. Students can work in convenient stores, cafes and even restaurants.
