

A.

Read the article aloud. Your tutor will correct your pronunciation.

Reading Aloud

Reading aloud is very important if one wants to be good at speaking another language. Reading aloud can help a person become more familiar with the pronunciation of common and difficult words in another language. It can also help one become more used to the sounds of another language. If a person is used to the sounds of another language, he or she can improve his or her listening comprehension. Reading aloud in another language can be challenging, but it has a lot of benefits.

B.

According to the passage, what are the benefits of reading aloud in another language?

C.

Now, please look at the picture and describe the situation.

Your story should start with the following sentence:
