Read the article aloud. Your tutor will correct your pronunciation.

### Four Seasons

The word Spring comes from an Old English word meaning to rise. Summer is from a Sanskrit word meaning half year. Autumn comes from an Etruscan word for maturing. Finally, Winter comes from an Old English word meaning water. The Earth spins around the sun, that is why we experience different seasons. Seasons affect our lives including the activities we do, the food we eat, the clothes we wear, and even our actions and behavior.

C.

---

According to the passage, how can seasons affect our lives?

D.

---

Now, Please look at the people in Picture A. Tell me as much as you can about their situation.

E.

---

Now, look at Picture B. Please explain what they are doing.

**F.**

---
