Cassadaga in Florida, US, is the go-to for individuals who want to speak with the dead. There are enough haunted hotels and graveyards in Cassadaga, but its main attraction is the significant number of people who say that they can make the dead talk. Cassadaga is also known as the "psychic capital of the world" and here, one would find a lot of psychics like tarot card readers, palm readers and fortune tellers. However, visitors should beware since Cassadaga has also become home to numerous psychic frauds.

1. In the US, where do people go to if they want to speak with the dead?

2. What does the "psychic capital of the world" have enough of?

3. What sort of people can one find in the "psychic capital of the world?"

4. Why should people beware when in the "psychic capital of the world?"
