

TOPIC: ask and answer questions about schedules and times

Instructor directions: Your SKYPE student has indicated that she wishes to practice asking and answering questions about **schedules and times**. Please initiate the conversation for this lesson. Please remember that students will be taking notes during this session. If they appear to not understand or have misunderstood, then encourage them to use appropriate conversation strategies (e.g. *“Could you repeat that please?”* *“How do you spell that?”*, etc)

Ask about:

| | NOTES |
|--|--|
| Weekday get up time | You may wish to press student and see if their get up times differ by day of the week-especially weekends. |
| Morning routine before leaving for school | Try and encourage the student to put together a string of sentences to describe their morning routine. |
| Time student leaves the house for school | |
| School start and finish times | Times may vary depending on the day of week. You may wish to press this point to see if this is so. |
| Evening activities after student gets home | Try and encourage the student to put together a string of sentences to describe their morning routine. |
| Go to bed time | |
| Weekend activities | Try and get students to talk about their Saturday and Sunday routines, and press for times they do these activities. |
| | |
| | |

* If you are no longer a student, then please inform your student that this the case so they may substitute “school” for “work” when they ask you questions on this topic.
