

ROLE-PLAY SITUATION: ordering food at a restaurant

Instructor directions: The student has indicated that she wishes to do a **ordering food at a restaurant** role-play. Students have been instructed to prepare for the role-play, but will most likely have trouble doing the role-play smoothly on their first attempt. Below is a model conversation. Variations are acceptable. The main point being is to ensure that the student's message is understood. Work with the student and repeat the role-play as many times until the student can do it reasonably fluently.
