

Saving the Environment

A lot of people are starting to appreciate the environment more. Young professionals and even university students choose to spend more time outdoors hiking, cycling, swimming, and camping. Because of this growing interest in nature, many have become more concerned about the gradual decline of our environment. More and more people are starting to become active in fighting for the preservation of nature.

Your story should begin with this sentence: **One day, Hina and Jiro decided to work on something.**
