let the student read for 120 seconds

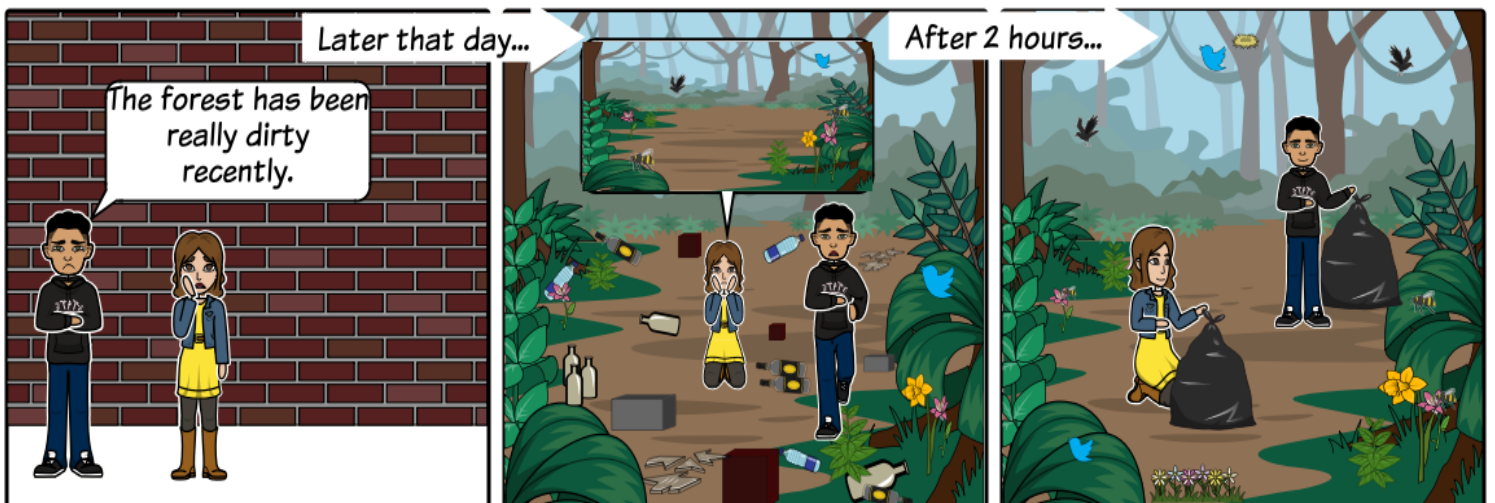

A lot of people are starting to appreciate the environment more. Young professionals and even university students choose to spend more time outdoors hiking, cycling, swimming and camping. Because of this growing interest in nature, many have become more concerned about the gradual decline of our environment. More and more people are starting to become active in fighting for the preservation of nature.

let the student read for 120 seconds

**Preparation to read -> 20 seconds**

You should begin with this sentence: One day, Hina and Jiro decided to work on something.
