Reading the News
<p>The habit of reading newspapers is becoming less popular these days. This is because many people prefer reading news articles available on the world wide web to reading newspapers. Accessing news articles online is free while buying newspapers cost money. Reading through different articles is easier when on the computer as one only needs to click or scroll. On the other hand, when one's reading a newspaper, he or she has to turn oversized pages to continue reading. The number of news websites has grown over the years while the sales of newspapers has slowly declined.</p>
